## Social Network Management Wizard

You are about to start monitoring [SOCIAL NETWORK]. Here's what's going to happen:

1. You will be able to interact with [SOCIAL NETWORK] within this window.
2. If you are not logged into [SOCIAL NETWORK], you will be prompted to log in.
3. Once you are logged into your account, you will be able to accept the app to monitor your privacy and reputation on the social network.
4. You will be able to add another network to monitor when you are done.

### Guidance

- Don't disable things to monitor (FB allows this)
- We'll never post to your wall
- We won't sell your data
- We're scanning for your own good
- Once you've completed adding this network, you will be able to choose another network to modify or be done.

### Guidance

- Don't disable things to monitor (FB allows this)
- We'll never post to your wall
- We won't sell your data
- We're scanning for your own good
- Once you've completed adding this network, you will be able to choose another network to modify or be done.

The screenshot shows a Facebook interface with a search bar at the top left containing the text "Search Facebook". On the top right, there is a user profile icon labeled "Dej", a "Home" button with a notification badge "1", and other navigation icons. A central dialog box is displayed with the following content:

- A square icon with a diagonal cross (X) next to the "CSID" logo.
- Text: "CSID Social Network Scan will receive the following info: your public profile, email address, Timeline posts and photos. ⓘ"
- A blue link: "Edit the info you provide"
- A lock icon and text: "This does not let the app post to Facebook."
- A "Privacy Policy" link at the bottom left.
- "Cancel" and "Okay" buttons at the bottom right.
